EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with David Ovedovitz (Registration No. 45,336) on June 30, 2007.

2. The applicant has agreed to cancel claims 19-22 without prejudice.

Allowable Subject Matter

3. The following is an examiner's statement of reasons for allowance:

With respect to independent claims 23 and 27, the prior art teaches a method and apparatus for converting from a video transport stream (TS) to a video program stream (PS).

However, the prior art of record does not teach performing transport stream to program stream conversion using a constrained format, "wherein, according to the constrained format, a presentation of the video information of continuous complete data blocks always starts at a top field and ends at a bottom field, the continuous complete data blocks being included in a continuous reference presentation time for video information and audio information, and the continuous reference presentation time including at least one data block," as recited in independent claims 23 and 27.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
